

NINETEEN HUNDRED AND SEVENTY - SEVEN

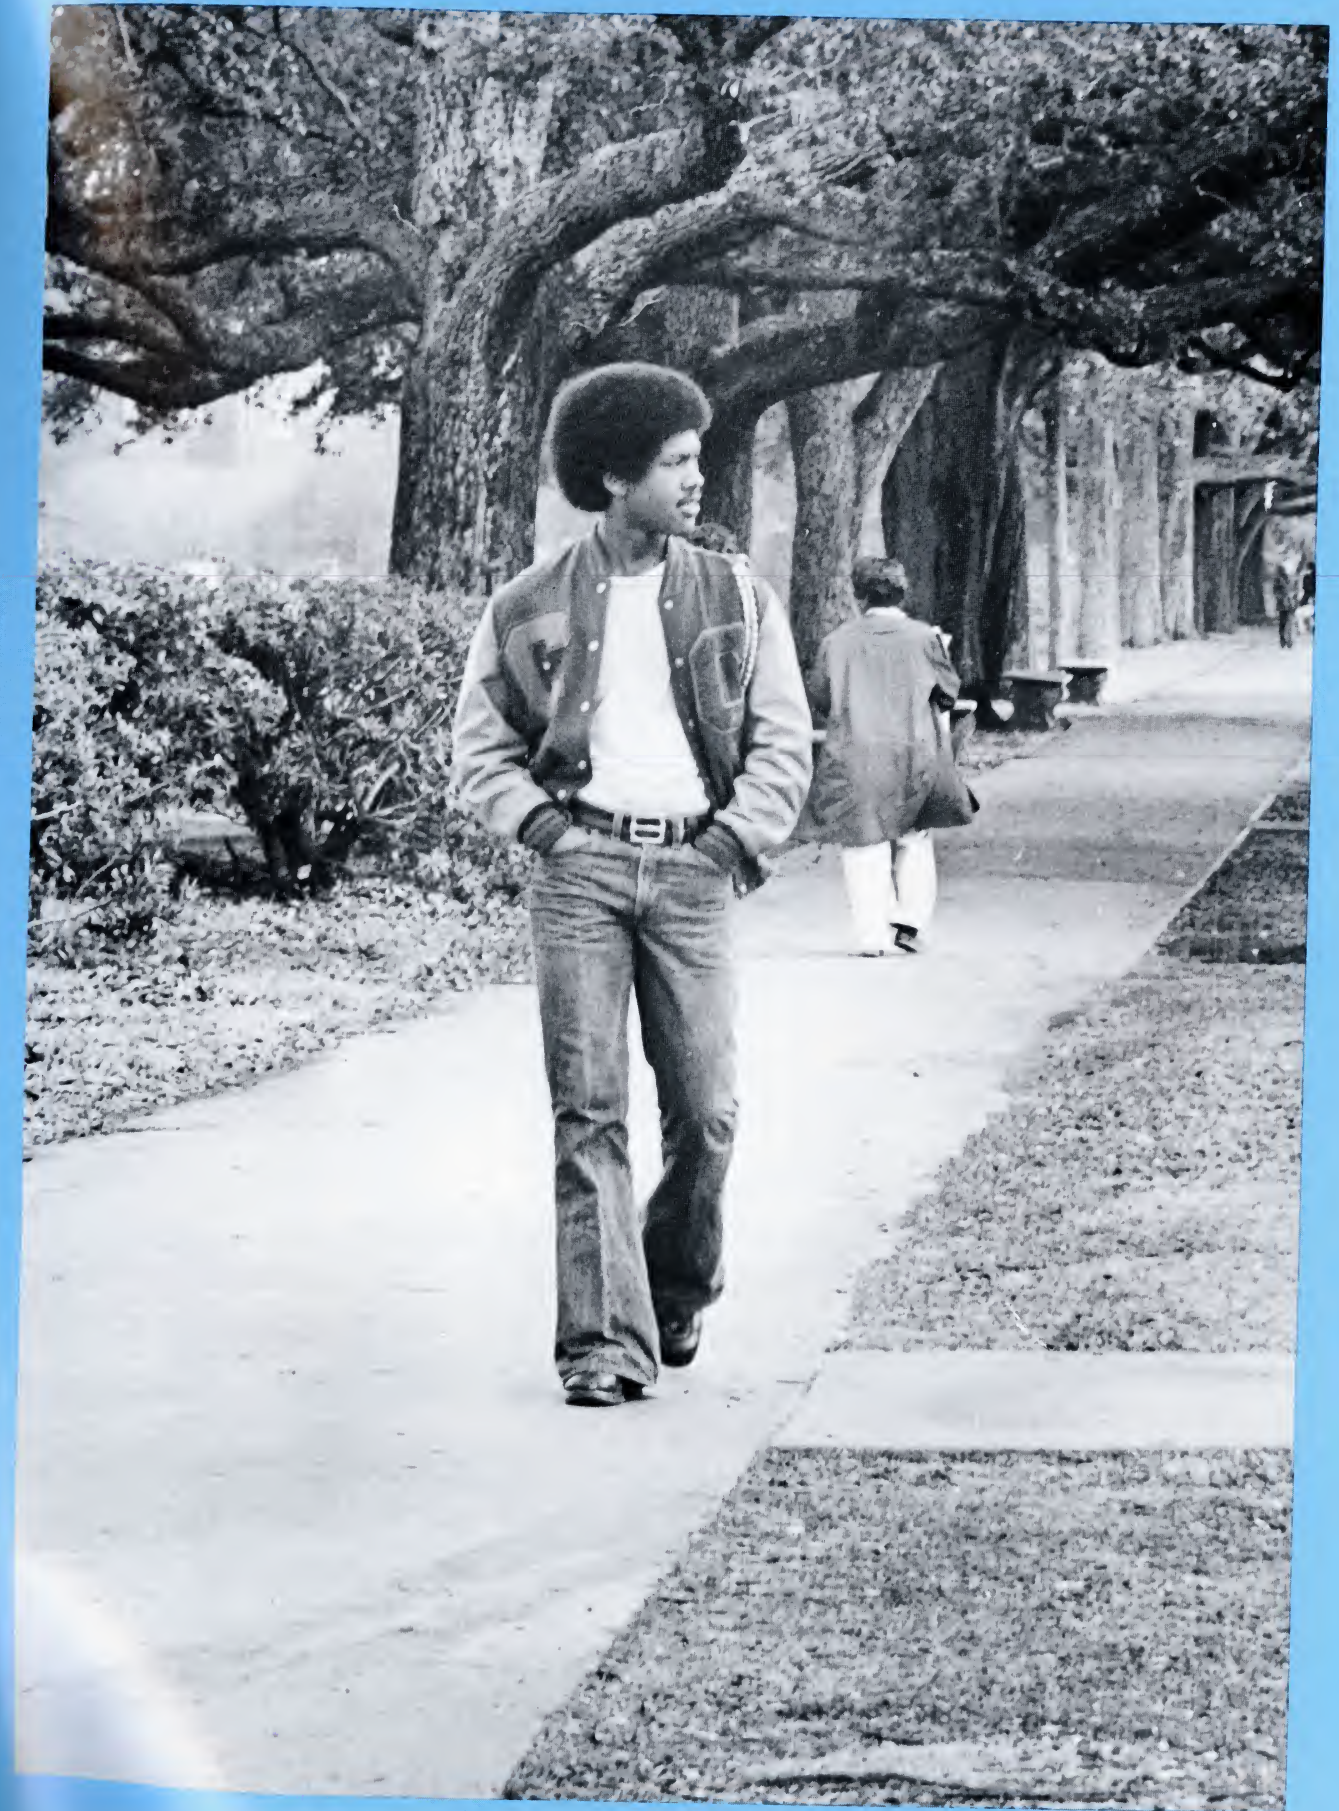

Le Diable Bleu

Many years have passed and a day. Still we walk, in  
the path that leads to the light \_\_\_\_\_

Shining down,

on this great beyond

Thoughts

ignite us,

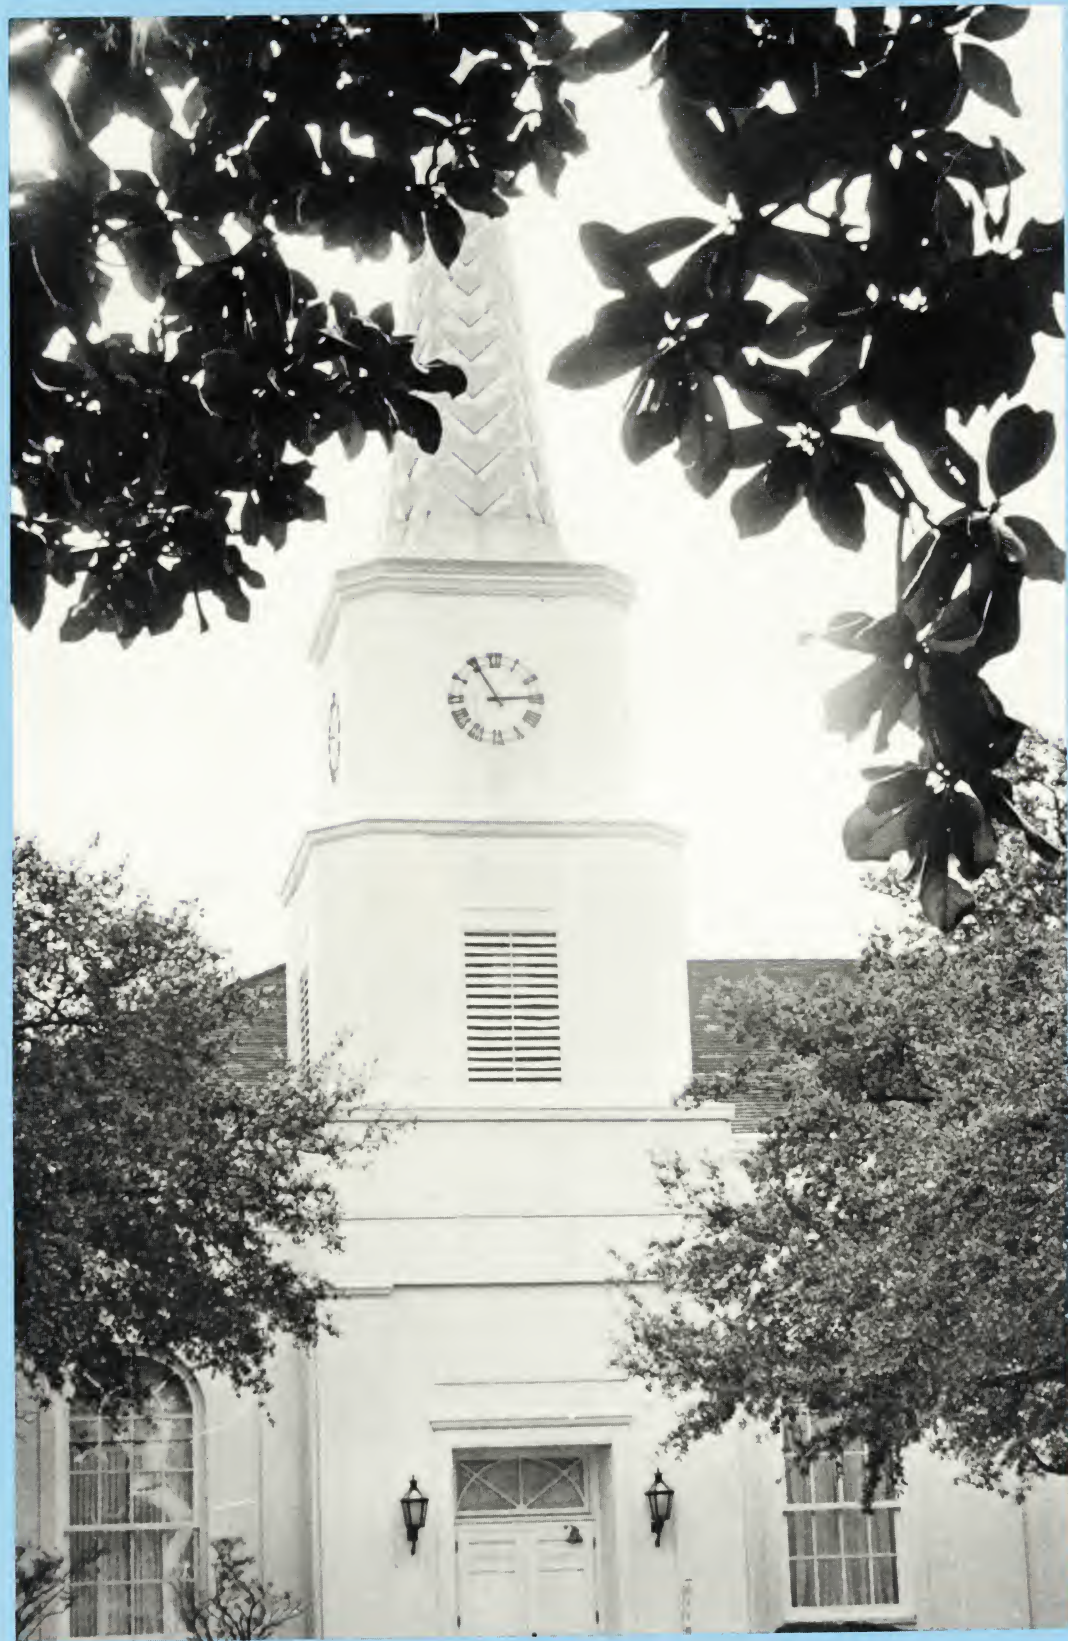

let love unite us \_\_\_\_\_ turn your face, to the wind  
and taste his love within \_\_\_\_\_

You'll find a friend \_\_\_\_\_ everlasting love, you can depend, every time  
you smile \_\_\_\_\_ you bless a child \_\_\_\_\_

Our Spirit perpetuates\_\_\_\_\_

our Spirit meditates love and faith.

We must make our brother see that the light is he  
shining on you

and me  
The land he gave, roads we must pave.

Thru each other's eyes, Humanity will rise. In love \_\_\_\_\_  
and our

SPIRIT will be at one with Thee.

The song "Spirit," written by Maurice White and Larry Dunn of the Earth, Wind and Fire group appears to capture the theme of this year's *Le Diable Bleu*. It is truly "spirit" that motivates us, individually and collectively. It is "spirit" that permits us to give a helping hand to a friend. It is "spirit" that undergirds our love for our fellow men.

The 1977 *Le Diable Bleu* has attempted to harness in a few pages the spirit which has characterized the Dillard Family during the past school year. It is hoped that we, the staff have been able to depict the *love, unity* and *harmony* known to exist throughout the university. We are sure that in our efforts, we have revealed some of the good times, some of the hardships, some of the disappointments, and some of the hopes and aspirations of life in and around campus.

## FOR IMMEDIATE RELEASE

Dr. Samuel DuBois Cook, president of Dillard University, is one of 13 presidents of predominantly black universities and colleges to visit the Republic of China on Taiwan, August 15-24.

The invitation was extended through S. K. Hu, minister of the Embassy of the Republic of China, Washington, D.C. The group of college presidents will be hosted by the Ministry of Education.

President Cook will be accompanied by his wife, Sylvia, and the couple will visit Tokyo before returning to the United States.

While in China the group will visit the National Palace Museum, Premier Chiang Ching-kuo and Ministers of Education, Foreign Affairs and Economic Affairs, tour industrial projects in Southern Taiwan, visit the Governor Hsieh of Taiwan Provincial Government in Central Taiwan and tour the rural area, visit universities and colleges, and meet with senior fellows of the Institute of International Relations. There will be a one-day excursion at Taroko Gorge in Eastern Taiwan.

## Miss Dillard

### "Isn't She Lovely"

It's as though Stevie Wonder had the captivating Dillard University Beauty, Miss La Tanya Brown, in mind when he scored "Isn't She Lovely." For Miss Brown is certainly lovely in every sense of the word.

Born under the sign of Taurus, the 5'4" Mobile native has throughout the year displayed her poise and grace. Though her reign did not officially begin until October 18, 1976, Miss Brown worked diligently with the Freshman Orientation Program, served on several committees (Executives, Assembly, etc.) and as a charming hostess on behalf of the University at the Founder's Day Reception.

The Senior English Major, who is a member of Delta Sigma Theta Sorority, Inc., has credited to her such titles as Miss UNCF (Sophomore), Miss Junior, and Miss Omega Psi Phi.

Hats off to "Miss La Tanya Brown, Miss Dillard University 1976-77."

# Dillard Cheerleaders

Dillard's spirit usually reaches an all time high under the able leadership of Cheryl Baldwin, Elaine Bucksell, and Yvonne Jenkins. Other members include: Lisa Bradley, Tracey Everett, Lorraine Floyde, Vivian Hawkins, Pamela Pilate, and Valda Stewart. Not pictured are: Cheryl Gabriel, Agnes Moore, and Charmaine Prevost.

Before basketball season starts, the girls go through months of practice in order to familiarize themselves with the old cheers and to institute new ones.

Out of all this vigorous pre-seasoning comes the rah of a lion to aid the Blue Devils on to V-I-C-T-O-R-Y!

The Female Volleyball Team of Dillard University is a newly formed team. Under the direction of Mrs. Washington these young ladies have molded what may soon become one of the best teams of its kind. For many, it is their first endeavor in such an activity. Putting forth hard work, willing minds, willing hearts, and an equal amount of determination, the light of success can't be far away!

# Dillard Basketball

Billy Ray Hobley, co-captain

Reginald Sanders puts two in the air.

This season, the Blue Devils started off with only one thing in mind: the desire to win the title they came so close to.

After a nice comfortable win over the University of Arkansas at Pine Bluff, it seemed as though the Mighty Blue Devils were back just to claim their throne. The victory bell only sounded twice in a row before being cracked by seven unseemingly real defeats in a row.

It wasn't until Dillard barely slipped pass Stillman holding a 95 to their 94, that the Blue Devils were again dancing to the sound of "sweet victory."

One could not possibly overlook the dynamic performance of the only starting freshman, Charles Hightower. He managed to maintain his starting position throughout the season. It was the "sure shot" of Russell Buckner and William Moody that kept the Devils alive in the so few, but well remembered, victories. During the games, Coach Brown turns to the bench several times to Michael Johnson, a very talented player. Throughout the season, the boards were managed by co-captains, Billy Ray Hobley and Bernard Kensey, with their ever so powerful defensive moves. The quarterback of the hardwood was, without a doubt, Larry Andrews. His ability to handle the ball well, while at the same time working with his fellow team members, kept Dillard out of trouble many nights.

Dillard's Blue Devils have taken the good with the bad and it is hoped that the future will see only good times, good wins, and good seasons!!!

Row One: William Moody, Ricky Meshburn, Michael Johnson, Mitchell Dukes, Larry Andrews. Row Two: Lewis Anderson, Fred Anderson, Kelvin Johnson, Reginal Sanders, Billy Hobley, Charles Hightower, Bernard Kensey, Russell Buckner, Emmitt Harris, Melvin Peterson, Johnny George.

## Dillard's

This year the Devilettes showed their fans that they could win. The only problem that haunted them continuously was the lack of being able to win often enough.

The season was opened with surprising good talents from our newcomers such as Vanessa Housley, Sandra Zanders, Margo Crawford, Juanita Jackson, Felicia Smoot, Connie Payne and Elanor Chitty.

With the help of coach Teamer, the Devilettes are becoming a running team. With a little more time and patience plus a great deal of team effort the Devilettes are destined to be among winners. Already patience has proven them winners city wide. This season the Devilettes brought home the city-wide championship. Team effort has proven to be the key factor in their wins. Best of luck is wished to the Devilettes.

# Alpha Kappa Alpha Sorority, Inc. Beta Upsilon Chapter

Alpha Kappa Alpha Sorority, Incorporated was the first black, national Greek Letter society for women. It was organized at Howard University, Washington, D.C., in January 1908. In a period of fifty or more years, Alpha Kappa Alpha grew from one undergraduate group of nine members, to a national organization with an active membership of more than fifty thousand women, located in thirty-six of the fifty states, Liberia, West Africa, and The Bahamas.

The purpose of Alpha Kappa Alpha is to promote high scholastic achievements, a supreme level of sophistication, poise, and grace among its members.

Beta Upsilon, is a link in that great chain of Alpha Women standing supreme in Pink and Green.

## The Editor Speaks:

Janice Williams  
EDITOR-IN-CHIEF

Through the years, the Courtbouillon had to overcome great obstacles in reaching its goals. There were times when the paper was incredibly late, and other times when it was not published at all. Nevertheless, the struggle continued and the Courtbouillon is still surviving. There were a number of areas which were not included in the paper, but at least we can say that there was a paper. Being a student, I realize the value of news, and with the combined efforts of the staff, we tried to orientate Dillard students to as many facets of university news as possible. The Courtbouillon staff encountered many difficulties, but with the cooperation of all its members and a number of others who contributed their services, the newspaper managed to survive.

On behalf of the Courtbouillon staff of 1976-77, I would like to thank the faculty members of the Humanities Division, and staff and administrators who helped to make the newspaper a success. Special thanks are extended to Mr. Kenneth Brown — the Courtbouillon's advisor, Mrs. Jinx Broussard and Mr. Marcus Neustader for their tireless efforts.

I personally feel that the experience of being on the newspaper staff was one in a million. It was a challenging and demanding experience, but I received the kind of rewards that helped me to develop a sense of achievement, and to reach an important stage of self-actualization. I realize that if members of a quality newspaper staff accept their positions with total dedication and sincerity, then they too will be rewarded. It is only through the cooperation of the entire Dillard family that the succeeding Courtbouillon staff can maintain its standards. I would like to wish the Courtbouillon staff of 1977-78 even more prosperity and success than previous staffs have experienced.

## The Division of Education

All students accepted in programs in the Division must elect a second field of concentration. Henceforth, all students in the Division will have a major and minor. The Division will continue its field based programs in schools, hospitals, and agencies in the community for freshmen, sophomores, juniors and seniors in the Division. Outcomes for student and teacher accountability have been revised. Competencies were developed for students majoring in the Division. A personalized system of advisement and counseling of majors in the Division was implemented. The main objectives of the Division are to develop competent individuals to compete for teaching positions and become successful as teachers and achieve success in graduate and professional schools.

# The Division of Natural Science

The Division of Natural Sciences, in the tradition of liberal arts education, strives to offer a broad spectrum of courses and experiences to students that are designed to support training and preparation for the pursuit of majors in the natural sciences as well as in other disciplines. A variety of courses are offered in biology, chemistry, mathematics, and physics. Courses in these areas are varied so as to permit students to fulfill cognate requirements and/or to pursue individual interest.

Students are provided with the opportunity for interaction with scholars and experts in the various scientific disciplines through seminars, lectures, and discussions. Natural science faculty and students have participated in national and international scientific meetings. During the past five years faculty and student research has resulted in six publications in scientific journals. In recent years 70-75% of the natural science graduates enter graduate or professional schools in the academic year following their graduation.

# The Will W. Alexander Library

The very nature of a true college education, is inseparable from the use of the Will W. Alexander Library. The staff, consisting of eight persons, work closely with students in their pursuits of knowledge. Constant formal and informal instructions on the techniques of locating materials are given to students.

The well rounded collection, consisting of over 118,000 volumes, 689 subscriptions to all types of journals, 49 newspapers, 900 records and tapes, and 4,481 roles of microfilms of journals and newspapers, are available for the convenience of students. The main objectives of the different formats and open stacks are; to develop the habit of using libraries as a continuing life long education process, to support the mission and curriculum of Dillard and provide an atmosphere of learning.

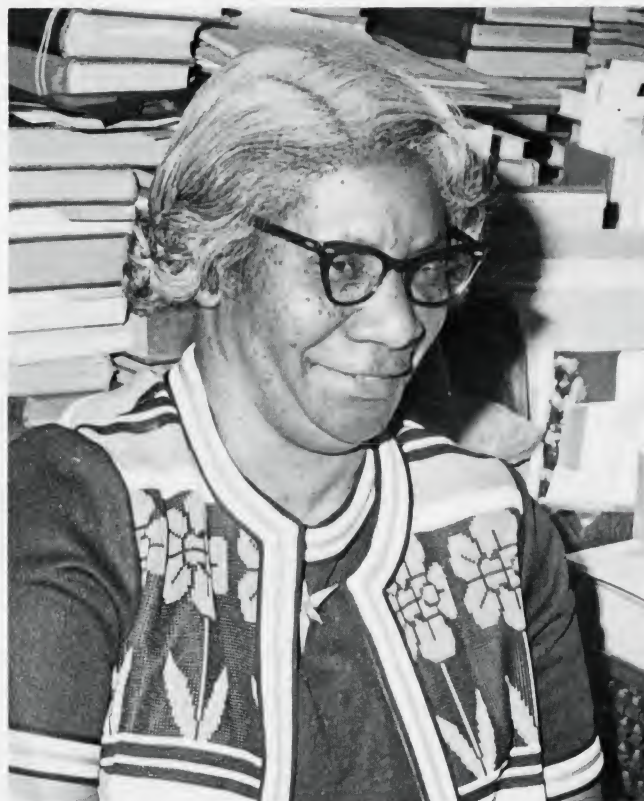

The Library Series, a number of informal programs on timely topics, have added an extra dimension to increase the awareness of students to changes, trends, and how learning can take place other than the classroom.

The Upward Bound Program began at Dillard University in 1966. It was designed to prepare and motivate minority students of grades 10-12 to reach the college educational level. The program is aimed at developing versatility among the students by making available to them all university facilities.

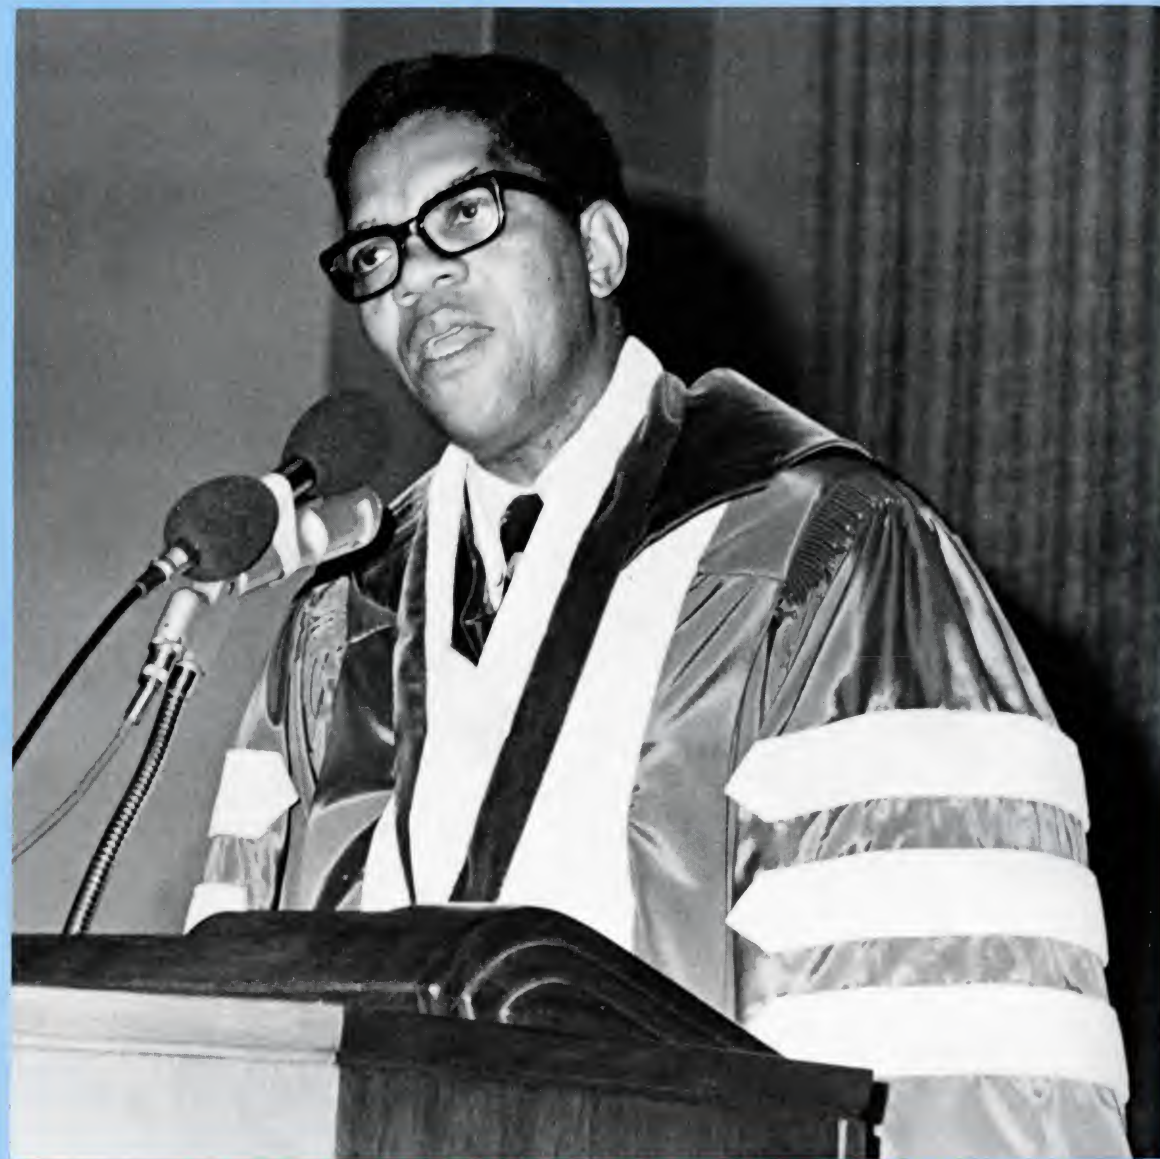

The summer Upward Bound Program begins in June and continues for six weeks. During the period from October to May students are involved in studies and activities on weekends. After their senior year in High School, the students of the Upward Bound Program are allowed to take up to six credit hours of the curriculum here at Dillard during the summer. These expenses are funded by the Upward Bound program. The credit hours received are applicable at any accredited college or university.

# Closing Comments

I leave the 1977 Le Diable Bleu and a year of my life with you. We have tried to make the book something you will be proud of for many years to come. Our goal was to compile the memories of one year into a permanent record. We hope that you are pleased with our efforts.

This year at Dillard has given me more than all the books in the world could have. It has bought me time; time to meet the people who will always be important to my life, time to be an adult, time to learn to love, appreciate and respect.

I would like to thank my excellent staff for not giving up when the road got a little rough. Thank you to my associate editor Joyce. My section editors, Karen, Sandra, Floridine, Ivy, Jean, John and Yvonne worked above and beyond the call of duty and enabled us to produce this book. Our photographers, Grayling, Dwight and Provost and Associates literally made the book possible by providing us with the highest quality photographs we could have asked for. Thank you!! Our two Business Managers Karen and Loren who not only managed all of our business and helped us at every turn but also became close friends of mine. A great deal of gratitude is owed to Mr. Marcus Neustadter for the many times he came through for me. Last but not least a very special thank you to Miss Renée Grooms, if you only knew how much your help was appreciated. Thanks again!

The entire staff owes a special thank you to our faculty advisor Dr. Ralph Rogers and Dr. Mack J. Spears for keeping the faith all along the way. We finally made it!! A very special thank you to Mr. Kenneth Brown and Dr. David Lambert for those desperately needed quick favors. Rochelle Ray donated her services in the area of art to her we owe our deepest appreciation. We cannot forget Dr. Samuel DuBois Cook, Mr. Charles C. Teamer and Dr. Elton C. Harrison for finally realizing our biggest problem and their willing efforts to help us correct it.

Finally, I would like to dedicate my part in this book to my mother and four very close friends, Mrs. E. Pendleton, Cheyenne, Marilyn and Kay. It was their love, concern, and encouragement that enabled me to get through this year.

I leave this job with the satisfaction that I have done the very best that I could do. My best wishes to the 1978 Le Diable Bleu staff.

Bernadette Felita Edwards  
Editor-in-Chief
